

CREATING A DEBT PAYMENT PLAN

Making a list of all your debts is a great base for creating a plan to repay the money you owe. **Use the example and blank table below to get started:**

DEBT	BALANCE OWED	MINIMUM PAYMENT	DUE DATE (EACH MONTH)	INTEREST RATE	STRATEGY: MINIMUM DUE + \$_ EACH TIME
Mortgage/Rent	\$195,000.00	\$1,500.00	1st of the month.	4.895% APR	Pay minimum payment each due date.

DEBT	BALANCE OWED	MINIMUM PAYMENT	DUE DATE (EACH MONTH)	INTEREST RATE	STRATEGY: MINIMUM DUE + \$_ EACH TIME
