Provider Services:

In connection with your use of the Services and as part of the functionality of the Services as may be applicable, you may have access to certain online services or information that may be made available by your bank and/or other third party provider(s) ("Provider Services"), including online banking, online payment, online investment account download, online bill pay, online trading, and other account information available from third party provider(s). The Services may be designed to allow access to Provider Services (if and to the extent provided by users' provider(s)) to set up banking and other information, schedule the Services to access user account(s), download transactions into the Services and otherwise aggregate information from user account(s) with third party provider(s). MoneyDesktop has no control over the provision of Provider Services or provision of access to the Provider Services by users' provider(s). MoneyDesktop does not guarantee the Provider Services. You agree that you may be able to use the Services in conjunction with the Provider Services, and that MoneyDesktop disclaims any and all liability whatsoever for any actions or inactions on the part of your provider(s) resulting in any inability to use the Services to access accounts, obtain data, download transactions, or otherwise use or access the Provider Services.

You acknowledge and agree when you access data and information through the Services, third party provider account access number(s), password(s), security question(s) and answer(s), account number(s), login information, and any other security or access information, and the actual data in your user account(s) with such provider(s) such as bank and other account balances, credit card charges, debits and deposits as may be applicable (collectively, "Provider Account Data"), may be collected and stored in the Services. You expressly authorize MoneyDesktop and our third party providers, in conjunction with the operation and hosting of the Services, to use certain Provider Account Data to (i) collect Provider Account Data, (ii) reformat and manipulate such Provider Account Data, (iii) create and provide hypertext links to provider(s), (iv) access the providers' websites using Provider Account Data, (v) update and maintain account information, (vi) address errors or service interruptions, (vii) enhance the type of data and services we can provide in the future, and (viii) take such other actions as are reasonably necessary to perform the actions described in (i) through (vii) above. In accessing and using the Services you represent that you are the legal owner of the Provider Account Data and that you have the authority to appoint, and do expressly appoint, MoneyDesktop or our third party providers as your agent with limited power of attorney to access and retrieve Provider Account Data on your behalf. You further acknowledge that MoneyDesktop does not (nor do our third party providers), review Provider Account Data and you agree that we are not responsible for its completeness or accuracy. You acknowledge that you are solely responsible for any charges associated with provider(s). YOU ACKNOWLEDGE AND AGREE THAT WHEN MONEYDESKTOP OR ITS THIRD PARTY PROVIDERS ACCESS AND RETRIEVE INFORMATION FROM USERS' PROVIDERS, MONEYDESKTOP AND ITS THIRD PARTY PROVIDERS ARE ACTING AS USERS' AGENT, AND NOT THE AGENT OR ON BEHALF OF PROVIDERS.

You further acknowledge and agree that (i) some providers may not allow the Services to access the Provider Services, (ii) providers may make changes to their websites, with or without notice to MoneyDesktop, that may prevent or delay aggregation of information from such websites, and (iii) the Services may "refresh" the Provider Account Data by collecting the Provider Account Data nightly, so your most recent transactions may not be reflected in any account balances or other account information presented to user in the Services. In the event that you see a discrepancy in the Provider Account Data, and in any case before making any transactions or decisions based on such account information presented in the Services, you agree to check the last refresh date for the account and confirm with that applicable provider that the Provider Account Data is correct or otherwise confirm that Provider Account Data is up to date and accurate.

You agree that these Terms are the complete and exclusive agreement between you and MoneyDesktop. These Terms supersede any proposal or prior agreement, oral or written, and any other communications between you and MoneyDesktop relating to the subject matter of these Terms. These Terms, as the same may be amended from time to time, will prevail over any subsequent oral communications between you and MoneyDesktop.

Miscellaneous:

You agree and acknowledge that if you breach these Terms, MoneyDesktop may have no adequate remedy at law and will suffer irreparable harm as a result of such a breach and will therefore be entitled to injunctive relief without the obligation of posting a bond.

The titles and headings of these Terms are for convenience and ease of reference only and shall not be utilized in any way to construe or interpret the agreement of the parties as otherwise set forth herein. Each covenant and agreement in these Terms shall be construed for all purposes to be a separate and independent covenant or agreement. If a court of competent jurisdiction holds any provision (or portion of a provision) of these Terms to be illegal, invalid, or otherwise unenforceable, the remaining provisions (or portions of provisions) of these Terms shall not be affected thereby and shall be found to be valid and enforceable to the fullest extent permitted by Law. All covenants, agreements, representations and disclaimers as to warranties and limitations on liability made in these Terms shall survive your acceptance of these Terms and the termination of these Terms.

MoneyDesktop may modify these Terms, at any time and without notice to you, by delivering such amended terms to the email address you provide to MoneyDesktop at the time of registration or that you subsequently updated, or by posting updated Terms on the Site. For all purposes of these Terms, except as otherwise expressly provided or unless the context otherwise requires: (i) the terms defined herein include the plural as well as the singular and vice-versa; (ii) all headings are for convenience only and shall not affect the interpretation or construction of these Terms; and (iii) the words "including," "included" and "includes" mean inclusion without limitation.

Choice of Law and Forum for Disputes:

By visiting or using the Site and/or the Services, you agree that the laws of the State of Utah, without regard to principles of conflict of laws, will govern these Terms. To the extent that these Terms conflict with applicable state or federal law, such state or federal law shall replace such conflicting terms only to the extent required by Law. You agree that any claim or dispute of any sort that might arise between you and MoneyDesktop, its officers, directors, employees, agents or affiliates must be brought in Salt Lake County or Utah County, Utah, subject to applicable

jurisdictional requirements in any such action or proceeding. You irrevocably waive any objection to such venue. You understand that, in return for your agreement to this provision, MoneyDesktop is able to offer the Services as these Terms designate and that your assent to this provision is an indispensable consideration to these Terms.

Collection of Your Personal Information:

We collect information for the purpose of providing our users with valuable products and services and use the information collected to improve these products and services. For purposes of this Policy, "Personally Identifiable Information" means information that identifies you individually, such as your name, address, phone and fax numbers or email address. When you register to use the Services, you will be asked for basic registration information, such as your name, email, phone number, age, gender and zip code. We may request additional personal information from time to time in order to provide you with other benefits of the Services. In all such instances, you will be given the option to decline to provide that information.

Personally Identifiable Information relevant to your account is only displayed to you. The layout and information provided and or requested within this area of the Services may change as there are upgrades or modifications to the Services. You are responsible for providing current, accurate, and complete information. In the case that information becomes outdated or an error is identified, it is your responsibility to notify MoneyDesktop of all pertinent changes.

All transaction details are recorded by MoneyDesktop. This information is used to provide financial information, assistance, and functionality within the Services. These details, other than in aggregate non-personally identifiable form, are not shared with any third parties.

For security and analytic purposes, we store information based on your interactions through the Services. The Services automatically logs many of the details regarding all visits and requests to our web servers. This can include the browser type, cookie information, page requested by a visitor, and the visitor's IP address. None of this information is personally identifiable. This information is used to help improve the Services, analyze trends, and administer the Services. We aggregate such tracking data so that no such data is tied to you in any personally-identifiable manner, however, due to the nature of the Internet, this is not always absolute and in some instances tracking data may be traceable back to you.

Analytics are collected on the Services in order to allow us to count the number of hits we receive to our Services as well as to further explore statistically the actions of our users, such as what pages have the highest traffic so as to better improve our product offerings. These tracking technologies gather information on an aggregate level and are not tied to users' Personally Identifiable Information.

MoneyDesktop is committed to the security of user information; as such we implement privacy and security standards to guard against identity theft and unauthorized access to your information. Where necessary, we may be legally obliged to disclose information as it pertains to any actions of a criminal or fraudulent nature. We reserve the right to disclose information to government agencies where necessary in complying with a formal request such as in a civil suit, subpoena, court order or judicial proceeding. In addition, the violation of our Terms or the committing of a crime may necessitate the disclosure of the violator's Personally Identifiable Information.

MoneyDesktop may compile information that is not personally identifiable to a user such that it does not (i) contain any Personally Identifiable Information, or (ii) reveal your specific identity or relate directly to you, such as aggregated data compiled from a larger dataset, de-identified or demographic statistical data. Such data may be used by us and our third-party providers to conduct certain analytical research, marketing, performance tracking and benchmarking. We may publish summary or aggregate results relating to metrics comprised of such data and distribute or license such anonymous, aggregated data for various purposes, such as to help improve products and services and to assist in troubleshooting and technical support.

We use industry accepted standards, protocols and precautions to protect your Personally Identifiable Information from loss, misuse, unauthorized access or disclosure, alteration or destruction. We maintain physical, electronic and procedural safeguards for your Personally Identifiable Information, including using firewall barriers, encryption techniques, authentication procedures, SSL (secure socket layer) encryption, and physical safeguards. You should recognize, however, that there is no such thing as "perfect security" on the Internet; no method is 100% effective at all times and we make no such guarantees. In addition, because Internet communication may be unsecure, it is also

possible that the information you supply to us or your access of any information via the Services may be intercepted during transmission. WE CANNOT BE LIABLE FOR BREACH OF OUR SYSTEMS OR INTERCEPTION OF OUR TRANSMISSION AND, FOR THE AVOIDANCE OF DOUBT, WE EXPRESSLY DISCLAIM, TO THE FULLEST EXTENT PROVIDED UNDER LAW, ANY REPRESENTATION OR WARRANTY, WHETHER EXPRESS OR IMPLIED, WITH RESPECT TO ENSURING, GUARANTEEING OR OTHERWISE OFFERING ANY DEFINITIVE PROMISE OF SECURITY IN CONNECTION WITH YOUR USE OF THE SERVICES.

You are responsible for maintaining the security and confidentiality of your password together with your login ID/email address that allows you access to the Services. We recommend creating an alpha-numeric password at least 6 characters long combining both upper and lower case letters. Never write this password down and do not share it with others. If you access the Services via partner integration, you may not have a human readable password assigned to you. This authentication process is implemented by our partners and is required to comply with all MoneyDesktop security standards.

Cookies:

When you use the Services, we want the experience to be as rewarding as possible. As with most online businesses, MoneyDesktop logs information about user access to and the use of the Services. When you utilize the Services, we may collect technical and navigational information, such as computer browser type, Internet protocol address, pages visited, and average time spent using the Services. MoneyDesktop may use this information, for example, to alert you to software compatibility issues, or it may be analyzed to improve the Services.

We employ the use of cookies on the Services to keep track of user preferences as well as to monitor traffic and usage. "Cookies" are alphanumeric identifiers in the form of text files that are inserted and stored by your Web browser on your computer's hard drive to recognize the user. A cookie also assists in keeping you logged into your MoneyDesktop account. MoneyDesktop may also employ the use of pixel tags from time to time to help better understand Site traffic and improve user preferences for a better user experience. (Pixel Tags refer to clear gifs, and web beacons which are 1x1 images set on web pages to track page traffic.) Most Internet browsers will allow you to stop cookies from being stored on your computer and to delete cookies stored on your computer. Please note, however, that if you choose to restrict the use of cookies, the full functionality of the Services may be impaired.

From time to time we may also employ the services of third-party agents to help us analyze certain online activities and to gather and track aggregate statistical information on the Services on our behalf. The third parties may employ cookies and web beacons to this end. While we do not have control over these cookies, and the use of third-party cookies is not governed by this Policy, this aggregated information is not tied to users' Personally Identifiable Information and the only intended use is to improve the Services and troubleshoot inconsistencies.

Location Data:

MoneyDesktop offers location-enabled services, such as MoneyMobile. If you use those services, MoneyDesktop may receive information about your actual location (such as GPS signals sent by a mobile device or information that can be used to approximate a location (such as a cell ID)).

Email Services:

For your convenience, we may offer the option of using email notifications, news updates and account information via email. All mailings include an opt-out option. An email may be automatically sent to the user following account registration. You may opt out of receiving these emails within the "Settings" menu in the Services.

Advertisers and Third Parties:

This Policy only applies to the Services. While the Services may link to other websites, MoneyDesktop does not exercise control over the websites maintained by any third parties even if related to the Services or the cookies included in advertisements served on the Services. If you choose to use these other websites, use third-party products or services, disclose information to third-party providers or grant them permission to collect information about you, then their use of your information is governed by their privacy policies. To clarify, MoneyDesktop does not accept responsibility for the services, actions and policies of third-party websites you access, either with regard to the Personally Identifiable Information you provide to them, or which you authorize MoneyDesktop to give to them, or which they obtain through your use of their websites. You should be careful to review any privacy policies posted on third-party websites before signing up with or using them.

We may use third-party service providers to help us conduct or analyze certain activities within the Services, including auditing the security of our systems. As an example, we may use a third party to help us analyze a user's use of the Services in order to improve the user's experience and the Services. We provide these agents limited access to Personally Identifiable Information only as necessary for them to perform the services. We do not authorize these agents to use this information for any purpose other than to assist us in their contracted role.

In addition, we may disclose Personally Identifiable Information to certain third parties if you have requested or authorized the disclosure of such Personally Identifiable Information.

Business Transfers:

If we purchase or sell assets, we may need to transfer certain user accounts and their corresponding information. The sale or closure of MoneyDesktop as a business entity could also necessitate the transfer of user information to another party. We may also need to transfer or assign Personally Identifiable Information pursuant to a merger, consolidation or other transaction relating to MoneyDesktop or our assets. We may also choose to transfer all of your data stored with us, including your Personally Identifiable Information and any other personally identifiable data, to a third party which may be operating, hosting or managing the Services. Should any of the foregoing events occur, you hereby agree and provide your consent to (i) the complete transfer of all of your Personally Identifiable Information and other data stored on your behalf to a third party; and (ii) the assignment (or novation) of all obligations of MoneyDesktop under this Policy to a third party.
